ORDER

AND NOW, this 22nd day of June, 2010, upon consideration of plaintiffs' motion (Doc. 6) for default judgment, and upon further consideration of the affidavits attached thereto and the brief in support thereof (Doc. 7), and it appearing that the summons and complaint were served on defendant on April 14, 2010, but that, as of the date of this order, defendant has not made any answer or other defense or appearance in the above-captioned case, and it further appearing that default was entered in the above-captioned case on May 21, 2010, and the court finding that entry of default judgment is appropriate, and that, based on the record, plaintiffs have proven their damages with sufficient certainty that no further inquiry is necessary, see FED.
